

# Challenger Gift-A-Book

Dear Parent,

Gift-A-Book is a PTA sponsored program that uses book donations to help keep our school library supplied with new and exciting reading materials. There is no better way to celebrate and honor your student in the presence of their classmates than to Gift-A-Book to Challenger's school library.

In recognition of your donation, your student will select a book with the help of our library staff. A commemorative plate with your child's name will be placed in the front of their book of choice. Your child will be the first student to check out the book, which will be awarded to them in the presence of their classmates during a library session. We hope you will consider this memorable celebration option not just for birthdays, but for any wonderful milestones your child achieves.
